SHORT DESCRIPTION

OX-ON Flexible Supreme 1611 is a 100% waterproof glove for people working in areas such as masonry and construction work, scaffolding, horticulture, gardening and renovation. The glove has an exquisite fit, outstanding finger feel and unique versatility while maintaining an excellent grip - whether you are wet or dry. This also makes the glove a perfect choice for most demanding tasks. With the OX-ON Flexible Supreme 1611 you get an extremely soft, comfortable glove with double latex coating: The inner orange coating keeps your hands dry. The outer black layer provides an exceptionally good grip. The knit is made of acrylic and polyester to make the glove soft and comfortable to wear.
